

Silent Auction on Monday August the 6th

As you know our dear Friend Abe Leight passed last year. We have many of his "FIRE" items both from Hereford and Towson and beyond to auction off with the proceeds going to Hereford VFC.

We plan to have that Silent Auction on Monday August the 6th at Summit Manor, Gunpowder Room with the doors opening at 6PM. We plan to have some tables of items that are just a buck or two and then many items with Silent Auction Papers for people to bid on them. We will end the bidding in stages between 8PM.

We plan to take some pictures of some of the items and send them out for you all to see SOME of what is being auctioned off.

The Ladies plan to have some refreshments for sale Hot dogs and barbecue If you would like to partake of some of their culinary delights. They are terminating their group's existence on 9/1 so this might be your last chance!

If you have any questions, they can be directed to Chief Bollinger or Phil Kearney.
